

BENEFACTOR SPOTLIGHT

My four years at Cathedral Prep were among the most memorable and valuable of my life. I learned to put God first, to treat others with respect, and to invest my efforts into what truly matters. Because teachers and faculty invested in me, I have a successful career. I have raised a loving family and have grown in a faith that has sustained me for a lifetime.

Now I want to make the same kind of investment. I'm investing in a school that is raising our future Catholic leaders. I've seen firsthand that they are men of intelligence, integrity, and faith. I'm investing in these boys because I believe they are destined to become "Men for Greatness."

In short, I'm investing in something that lasts forever—the human spirit. I'm investing in Cathedral Prep. Will you join me?

For more than a century, Cathedral Prep has formed young men to serve as leaders in the Church.

Our graduates are Catholic gentlemen who have *strong* minds, *strong* fraternity, and a *strong* faith.

Most of all, our students are open to God's will as they strive to become "Men for Greatness."

Will you help us fulfill our mission? We need committed benefactors to support our students, who are truly the future of our Church.

“I went to public school my whole life, but when I heard of a school that truly centered on developing a real relationship with God, I knew that Cathedral Prep was the school for me. My Roman Catholic faith is an important part of who I am and who I am striving to become. The opportunity to attend a school that creates an environment of brotherhood and faith was too good to pass up. I believe that Cathedral is another gift that God has offered to me, especially as I set my eyes on becoming a Catholic Man for Greatness.”

“I saw everything I was looking for in a high school at Cathedral Prep. The faculty and staff are there for you every step of the way, challenging you and making sure you are improving throughout the year. The unique experience and size has made it easy for me to socialize, but, more importantly, it has made it a place where I could develop a passion for my faith and grow intellectually. I know because of Cathedral Prep, I will have a bright future and lifetime of supportive friends that I can call my brothers.”

“I chose Cathedral due to the welcoming spirit and closeness of the school community. This community has taught me the meaning of brotherhood. It has also given me the opportunity to grow both academically and spiritually. The faculty has been there for me at every turn and obstacle, guiding me through my years at Cathedral. As I look forward to graduation, I will forever cherish the foundation of faith and unique experience that Cathedral offered me”

“Cathedral Prep was one of the greatest instruments that God used in my life to unveil His Will for me. During my Cathedral years I was challenged, I grew, and I learned. Above all, I fell in love with God. Cathedral helped me to live my faith with courage... As a recently ordained priest, I have no doubt that I am the man that I am, and the priest that I am, because of the foundation I received at Cathedral.”
