

CATHEDRAL PREPARATORY SCHOOL AND SEMINARY

December 2020

Dear Future Men for Greatness:

Thank you for considering Cathedral Preparatory School and Seminary. Cathedral remains a strong community of academic excellence, forming men for greatness, and we look forward to helping you continue your application to join us here.

As part of our admission process, we would really like to meet you “in person”. But this year, due to the ongoing concerns with Covid, we will do that with a phone interview. All applicants are asked to take part in an interview. This interview will not only give us an opportunity to better know you, it will also give you the chance to know us.

The interviews will be held on Saturday, January 9, 2020. Please note that this interview is not optional for anyone who wishes to be accepted to Cathedral Prep. All potential students must take part in the interview process.

Please know that on January 9, 2020 you will receive a phone call from a member of the Admissions Committee of Cathedral Prep between the hours of 9:30 AM and 12 noon. When you receive this phone call, there will be no caller ID number. You do not have to come to the school for this specific interview; everything will be over the phone. We will be calling on your home phone number provided when you took the TACHS exam. If there is an alternate number you prefer, please notify Dr. Franco (email below) right away.

If it is truly impossible for you to speak on the assigned day or within the assigned time period, please immediately email pfranco@cathedralprep.org to reschedule. It is essential that you follow these directions to be sure that your application to the school is moving forward.

My years at Cathedral as a student were invaluable. They taught me to strive for academic excellence and formed me as a man of integrity and excellence. I promise all those who embrace the Cathedral experience the same blessings.

We all look forward to speaking with you!

Merry Christmas and Happy New Year,

Very Rev. James A. Kuroly
